JAWS BIKE DRIVE

ABOUT JAWS YOUTH PLAYBOOK

Jaws Youth Playbook (JYP) focuses on a mission to improve the overall health and wellness of at-risk youth, primarily in the Greater Philadelphia Region. Ron Jaworski's Foundation, Jaws Youth Playbook, does this by raising awareness and advocating for the access to safe play and healthy meal choices, and supporting programs providing positive youth health and wellness platforms.

ABOUT THE HOLIDAY BIKE DRIVE

We believe that every child deserves the freedom, empowerment, and health benefits that come from riding a bike. However, the cost of purchasing a bicycle is a major barrier for many families living in underserved communities. So, every December, we answer that call with our Holiday Bike Drive, a major event that delivers a safe bicycle, a new helmet, a new lock, and basic safety education to hundreds of children. The Holiday Bike Drive is hosted by Ron Jaworski's Foundation, Jaws Youth Playbook, and is fully supported by community members, volunteers, and generous sponsors like YOU!

VOLUNTEER OPPORTUNITIES

This year we will be spreading the Joy to the Camden Section of New Jersey. We welcome members of the community to help us assemble the bikes this December.
